Lost Treasures Dragon Horde Red Dragon model. © 2006 James Hartman
Feel free to distribute this file and host at your site, contact me if you want to create other colors.

WING

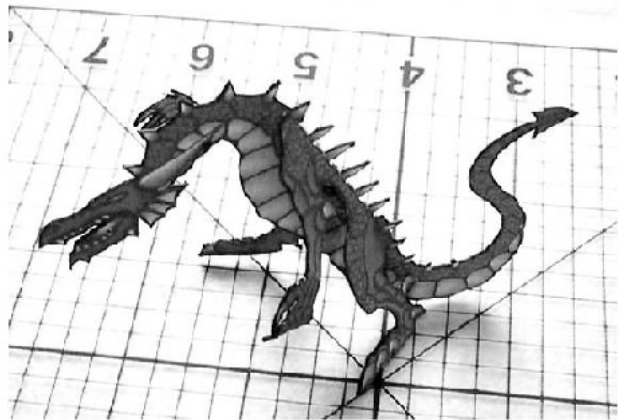

Once all the parts are folded, glued, trimmed, and black lined...

I recommend using 65lb paper card for this model. The slots were designed to accommodate this thickness of paper.

Step 1
Fold arms/legs forward and glue over spine.

Step 2
Fold wing back and glue over spines, and your done!
